If your application for Free School Meals is successful, your child will then be entitled to breakfast up to the value of £1 and a meal at lunch time up to the value of £2.20. The school will also receive extra funding from the government to use in support of teaching and learning, so checking to see if you are eligible is important.

If your application for Free School Meals is not successful, your child won't be eligible for a free meal. The checking service system does however store your details and re checks them every week so if you ever have a change in circumstances whereby you will be eligible for Free School Meals, the system will pick this up and will notify us.

If you have any queries or questions at any time regarding Free School Meals, please feel free to contact the school office on the number above or at office@davinciacademy.co.uk.

Yours sincerely,

School Office
