

13/02/2025

Dear Parents/Carers,

Academy Catering Update

As you will be aware, food prices continue to rise and therefore we have had to review the current catering offer available to our students.

Therefore, from Monday 24th February 2025 we will be making the following changes, whilst keeping any increases to a minimum:

- Meal deal – main meal or sandwich, traybake and a bottle of still (unflavoured) water £2.70
- Fruit juice, milkshakes and flavoured water will be available for an additional charge of 30p
- A selection of sandwiches will be available each day, but we will no longer be offering wraps.

Thank you for your understanding and continued support.

Yours sincerely

Mrs N Tomlison
School Operations Manager
