Safeguarding Statement

Through outstanding leadership, we, at Da Vinci Academy, will provide the highest quality education to enable every pupil to achieve their full potential. Da Vinci Academy fully recognises the contribution it can make to protect pupils and support them in our academy. The aim of our policies are to safeguard and promote our pupils' welfare, safety, and health by fostering an honest, open, caring, and supportive climate. The pupils' welfare is of paramount importance.

It is our policy to listen to our pupils, to not place any value judgement on their concerns or supersede their views with our own cultural or racial profiling that may prevent us from fully listening to what our pupils are saying. We will take our pupils' health and welfare seriously and act with urgency to prevent harm and keep them safe.

There is a 'whole academy approach to safeguarding' where safeguarding and child protection underpins all our relevant policies and processes. We operate with the best interests of the child at heart.

Our child protection/safeguarding policy outlines how Da Vinci Academy will safeguard and promote children's welfare to keep our learners safe from abuse, neglect, and exploitation. The policy applies to all adults, including volunteers, governors/trustees, supply staff and contractors working in or on behalf of the setting. A copy of the policy can be found on the academy website.

Da Vinci Academy operates a whole academy approach and ethos to safeguarding and protecting children. Where safeguarding is concerned, we maintain an attitude of "*it could happen here*". We recognise that everyone in the academy has a role to play to keep children safe; this includes ensuring children feel heard and understood, identifying concerns, sharing information, and taking prompt action. Safeguarding and child protection is incorporated in all relevant aspects of processes and policy development. All systems, processes and policies operate with the best interests of a child at their centre.

We ensure that all children are safeguarded while on or off academy premises and are proactive about anticipating and managing risks that children face in the wider community and online. To support this the academy assesses the risks and issues in the wider community when considering the well-being and safety of its learners.

The safeguarding team can be contacted via safeguarding@davinciacademy.co.uk

1. Aims

Da Vinci Academy is committed to:

- promoting equality
- ensuring value for money
- ensuring that no pupil is discriminated against due to their religion or belief, economic circumstances or social and cultural background.
- committed to developing our pupils sense of belonging to our school.

We believe that wearing a smart and practical uniform allows all children, regardless of their backgrounds, to feel equal to their peers and confident in their appearance. It is important for children to wear clothing that is conducive to a successful learning environment, including activity-appropriate clothing, such as sports attire.

2. Our Academy's Legal Duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our academy will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all pupils
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- Allow pupils to request changes to swimwear for religious reasons
- Allow pupils to wear headscarves and other religious or cultural symbols
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with Miss J Scattergood via her PA emma.graham@davinciacademy.co.uk, who can answer questions about the policy and respond to any requests

3. Limiting the Cost of School Uniform

Da Vinci Academy has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers We

will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics where possible
- Considering cheaper alternatives to school-branded items, such as logos that can be ironed on, as long as this doesn't compromise quality and durability

- Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes
- Avoiding different uniform requirements for different year/class/house groups
- Making sure that arrangements are in place for parents to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and thereby minimising the financial impact on parents of any changes
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

Pupils are also expected to contact the Headteacher if they want to request an amendment to the uniform policy in relation to their protected characteristics.

5.2 Parents and carers

Parents and carers are expected to make sure their child has the correct uniform and PE kit, and that every item is:

- Clean
- Clearly labelled with the child's name
- In good condition

Parents are also expected to contact the Headteacher if they want to request an amendment to the uniform policy in relation to:

- Their child's protected characteristics

➤ The cost of the uniform

Parents are expected to lodge any complaints or objections relating to the school uniform in a timely and reasonable manner.

Disputes about the cost of the school uniform will be:

- Resolved locally
- Dealt with in accordance with our school's complaints policy

The school will work closely with parents to arrive at a mutually acceptable outcome.

5.3 Staff

Staff will closely monitor pupils to make sure they are in correct uniform. They will give any pupils and families breaching the uniform policy the opportunity to comply, but will follow up with the Assistant and Deputy Headteacher if the situation does not improve.

Ongoing breaches of our uniform policy will be dealt with by requesting the parent/carer brings in the correct uniform. If this is not followed, school will lend the pupil the correct item of clothing to wear for that day. If there is noncompliance at this point, then the pupil may be isolated.

In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.
